<b>Product name:</b> Sound Reception System type SR8200	<b>Product type:</b> 8200, 8201, 9002	<b>Total product weight:</b> 0.5 to 3kg
---	--	--

Jotron Phontech declare that based on the IMO Resolution A.962(23) and the Basel convention the above mentioned products does not include potential hazardous materials above threshold level to human health or the environment.

The products are electrical and electronic assemblies (including printed circuit boards) not containing components such as accumulators and other batteries included on list A, mercury switches, glass from cathode ray tubes and other activated glass and PCB-capacitors, or not contaminated with Annex 1 constituents (e.g. cadmium, mercury, lead, polychlorinated biphenyl) or from which these have been removed, to an extent that they do not possess any of the characteristics contained in Annex III.

This is based on the Basel convention Article 1 and Annex IX List B – B1110.

Horten, Norway 29.04.2009 on behalf of Jotron Phontech as

A handwritten signature in blue ink that reads "Thor B. Andersen".
