Product SKIPPER SATLOG SL 1200

This is to inform the market that our product SKIPPER SATLOG SL 1200 has been decided to be discontinued.

The following parts of the system are included in this notice.

- 1) 9" touch display with software SL1200-SB
- 2) Antenna SL-SN300-SA

Junction box JB40POW-SA will continue, as the product is used in other applications.

- **Last time buy; 31.03.2026. The date can be expedited depending on availability.**
- **Last time shipment; 31.05.2026 (last time installation onboard is 01.06.2026)**
- **End of support; 31.12.2030 or when replacement product is available.**
- **End of spares; 01.04.2030 depending on availability.**

Jotron SKIPPER will notice the market when a replacement product is available.

If you have any further questions, please contact your area sales manager at Jotron.

Sincerely ,

Jotron SKIPPER AS
